Thank You--

For your request for information. Our catalog is enclosed. In asking for it you may have had in mind printing for any one of the following reasons:

To print for profit  
To print for yourself  
To print for your firm or some organization you  
are interested in  
For vocational or educational work

Necessarily the catalog covers ALL these reasons, not just one, but YOU can pick out the parts which especially apply to YOU. The leaflet enclosed, entitled "How to Select Your Press and Outfit" has many helpful suggestions for specialized needs.

And of course, we'll be glad to answer any questions which you write us about.

Cordially Yours,

*Arzyg*

This document contains most of the contents of an envelope of promotional material sent by the Kelsey Company and received on 1950-07-24 and an envelope sent on 1950-08-02.

In addition, the 1950-07-24 envelope also contained the Kelsey Handy Pocket Price List No. 50B, Effective 1950-07-24 and a copy of Kelsey's "Do Your Own Printing" booklet. These two items have been reprinted separately.

This material was published in the United States without copyright notice at a time when such notice was required to secure copyright. It therefore passed into the public domain upon initial publication. This digital reprint remains in the public domain.

Thanks are due to Jenny Addison, Prop. of Lock and Key Press, for making this material available.
